Study Sheet for March 5th class
Paul's Imprisonment and Defense of the Gospel:

During Paul's third missionary journey he again, encouraged young churches and planted new ones. Paul preached the gospel, all the while, being plotted against by both the Jews and Gentiles. In chapter 19, "[Paul] ...purposed in the Spirit to go to Jerusalem after he had passed through Macedonia and Achaia, saying, 'After I have been there, I must also see Rome.'" There is some debate as to whether Paul wrote to the Philippian church from prison in Caesarea or during his imprisonment in Rome.

Your homework for this week is to simply read what was on Paul's heart and lips during these two times mentioned above. (There is space provided for those of you who must make notes. 😊)
